

# 9/10/2019 Meeting Minutes

## One Faith One Hope One Love

It was discussed if we should donate any money to do good ministries. It was decided based on the direction of father that at this time, we would not donate as a parish, but if individual parishioners would like to support the ministry, that is fine.

It was suggested to investigate to see if any of the Celina tornado victims were still in need of support.

## Commission Assignments

New commission assignments were selected for the new council members as follows: Lori Speck – Education, Matt Lange, Building and Grounds, Connie Buschur – Youth, Derrick Bruns - Cemetery

Electronic Banking Update – A bulletin insert will be done to inform parishioners that they have the ability to utilize electronic banking

AED Update – Sue was to order the AED case in September.

CCD Billing – 2019-2020 Rates The rates will remain the same as last year. Rates will be revisited next year.

Church basement upgrade (New TV and internet capabilities) – (Doug) Since Doug is no longer on the council, Brian Hemmelgarn will touch base with him to see what the price would be to install internet and possibly add the ability to stream masses in an overflow situation.

Sound System – Pat/Sue to call the speaker company for a tune up and to see if the loft speakers got connected.

## Mass related questions

Thursday Mass Time – Move to Evening starting September through May as a trial – Feedback

The attendance seems to be the same as in the morning. Not a lot of feedback has been heard by the council meeting.

Mass for the people (9:00 am mass at St. Henry)

It was requested that the 9 am mass rotate having a mass for the people. The rules require that one mass be said “for the people” in the cluster every weekend.

## Wedding Mass priest availability

A parish concern is that we only schedule one mass in the cluster on the weekend. It was explained that this is due to the fact that if a priest gets sick or an emergency happens, there is someone else to cover.

Commission Updates – updates based on committee meetings
