

Dear Parents and Students,

We are really excited for cooler fall weather and the coming of October as the Month of the Rosary! The rosary is a really beautiful and powerful Catholic tradition of praying to God through Mary's help rooted in the Bible.

We are inviting our students, teachers, families, St. Henry Cluster Staff, and entire faith community to join in praying the rosary this month. We would love for everyone to see the beauty of our prayers. We will be filling our Rosary Tree in our school again this year with the leaves on the reverse side of this page. Each time a student prays the rosary, the student can **complete a leaf** and return it to the CCD Center and add it to our tree.

A Few Tips

- Can you invite a grandparent or godparent to join you?
- What would you like to pray for? Many people in the world around us need our prayers.
- Try saying a decade each Sunday after mass with your family. You could also be creative when you incorporate it into your routine- like in the car on the way to practice!
- There are many resources online that can guide you through this prayer.

If you would like to learn even more about the month of the rosary or print more leaves, visit our website: <https://sthenrycluster.com/catechetical-center/>

God Bless,

Rachel Niekamp, St. Henry Cluster DRE
